T2. PROJECT DESCRIPTION

The purpose of this RFQ is to engage service providers that can effectively deliver training for the QCTO programme **Renewable Energy Workshop Assistant ID SP-210602** for a duration of 60 days to the identified target group. The programme targets have been recruited in collaboration with NPOs (successful bidders will be provided with the details of the NPO upon appointment), and contracts have been established with these NPOs. The successful bidder, in partnership with the NPOs, will be responsible for screening potential learners to ensure they meet the criteria for participation in the training programme. This collaborative effort aims to enhance the skills and employability of the selected participants, contributing to the broader goals of workforce development and empowerment. The table below outlines the specific training programme the bidder must quote from.

TRAINING PROGRAMMES / QUALIFICATIONS/TRADES TITLES	ENTRY REQUIREMENTS	QCTO QUALIFICATION ID	NQF LEVEL	CREDITS	DURATION	TARGETED NUMBER OF LEARNERS
Occupational Skills Programme Renewable Energy Workshop Assistant	NQF Level 1	SP-210602	4	24	30 days	26

QUOTATIONS SHOULD BE BASED ON THIS TABLE ONLY.

The Training Service provider will be responsible for training of 26 learners that are to be recruited from the local communities within a radius of 10KM from Kathu where IDT implements a project in Umsunduzi under Umsunduzi local municipality.

The targeted skills programme that the Training Service Provider must submit the RFQ for is the **Occupational Skills Programme: Renewable Energy Workshop Assistant**

T2.1. SKILLS RATIONALE

There is a need for skills programmes within the renewable energy workshop assistant and these skills programmes are being carefully monitored and located in the broader skills and competency framework for renewable energy workshop assistant. The aim is to ensure that all initiatives for developing skills are integrated into the broader skills and competency framework for renewable energy workshop assistant. This approach will support the effective training and competence of learners, ensuring their skills meet the industry standards. The learners will acquire relevant skills to be competent in the sector or other initiatives are directly related to the registered renewable energy workshop assistant qualification and adhere to the relevant sector designations. This means that any skills programmes or any other initiative for developing skills within the renewable energy workshop assistant sector need to be related to the renewable energy workshop assistant qualification as well as the registered designations within the sector.

T2.2 THE OBJECTIVES OF THE IDT TRAINING AND SKILLS DEVELOPMENT

The objectives of the IDT development programme are:

1. To empower communities to exit the EPWP programme with relevant skills that will assist them to access economic opportunities.
2. To train and build the capacity of unemployed people and work seekers to prepare them in making transitions into employment or self-employment.
3. To provide an opportunity for unemployed youth and old people who do not have matric or meet the requirements to enrol in post-matric education but have skills suitable for Recognition of Prior Learning (RPL).

T2.3 SCOPE OF WORK SHALL INCLUDE:

1. Screening of learners to get to **thirteen (26) qualifying learners** for **Occupational Skills Programme: Renewable Energy Workshop Assistant over a period of 30 days from the** targeted communities.
 - a. Entry requirements
 - b. One learner must be a person with disability
2. Facilitate the implementation of the training for the 26 learners by the accredited trainers and manage all the training-related administrative activities
3. Keep records of the attendance of learners and facilitate the payment of stipends, UIF and COIDA in line with the applicable regulations.
4. Work closely with the IDT Programme Management team and contractor to manage the placement of learners in the IDT programmes for experiential learning.

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
 - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system, then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)

FORM OF OFFER AND ACCEPTANCE

Acceptance

By signing this part of this form of offer and acceptance, the employer identified below accepts the tenderer's offer. In consideration thereof, the employer shall pay the contractor the amount due in accordance with the conditions of contract identified in the contract data. Acceptance of the tenderer's offer shall form an agreement between the employer and the tenderer upon the terms and conditions contained in this agreement and in the contract that is the subject of this agreement.

The terms of the contract:

Deviations from and amendments to the documents listed in the tender data and any addenda thereto as listed in the tender schedules as well as any changes to the terms of the offer agreed by the tenderer and the employer during this process of offer and acceptance, are contained in the schedule of deviations attached to and forming part of this agreement. No amendments to or deviations from said documents are valid unless contained in this schedule.

The tenderer shall within two weeks after receiving a completed copy of this agreement, including the schedule of deviations (if any), contact the Employer or the employer's agent (whose details are given in the contract data) to arrange the delivery of any bonds, guarantees, proof of insurance and any other documentation to be provided in terms of the conditions of contract identified in the contract data. Failure to fulfill any of these obligations in accordance with those terms shall constitute a repudiation of this agreement.

Notwithstanding anything contained herein, this agreement comes into effect on the date when the tenderer receives one fully completed original copy of this document, including the schedule of deviations (if any). Unless the tenderer (now contractor) within five working days of the date of such receipt notifies the employer in writing of any reason why he cannot accept the contents of this agreement, this agreement shall constitute a binding contract between the parties.
